## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
LAMP FOUNDATION, INC.  
Jenkintown, Pennsylvania

We have audited the accompanying financial statements of LAMP FOUNDATION, INC. (a nonprofit organization), which comprise the statement of Assets, Liabilities, and Net Assets as of December 31, 2014, and the related statements of Support, Revenue, and Expenses, Functional Expenses for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LAMP FOUNDATION, INC. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with the modified cash basis of accounting.

## **Prior Period Financial Statements**

The December 31, 2013 financial statements were reviewed by us, and our report thereon, dated June 6, 2014, stated we were not aware of any material modifications that should be made to those financial statements for them to be in conformity with the modified cash basis of accounting. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements.

LAMP FOUNDATION, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2014

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Organization** - Through the provision of quality free medical care and humanitarian assistance, the Lamp Foundation Inc (Lamp for Haiti) works with and for the people of Haiti to improve the lives of some of the most marginalized persons in Haitian society. Our work is done in collaboration with local residents, other Haitian professionals, and both governmental and nongovernmental partners.

Lamp for Haiti is non-profit, non-sectarian and apolitical. Transparency to the community, patients, donors, and governing bodies is a *sine qua non*.

Lamp for Haiti envisions a time when the communities we serve will meet their basic health and humanitarian needs on a self- sustaining basis.

To that end, the Lamp for Haiti develops and empowers local professional and nonprofessional staff to carry out its mission, aligns its activities with the needs and interests of the local community, and cooperates in mutually beneficial and sustainable ways with Haiti's broader network of health organizations.

**Basis of Accounting** - The accompanying financial statements of the Lamp Foundation, Inc. have been prepared on the modified cash basis of accounting. The modified cash basis differs from generally accepted accounting principles in the United States of America primarily because revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred.

**Financial Statement Preparation** - The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, which represents the expendable resources that are available for operations at the Board's discretion; temporarily restricted net assets, which represent resources restricted by donors as to purpose or by the passage of time; and permanently restricted net assets, which represents resources whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

The Organization does not have permanently restricted net assets.

**Use of Estimates** - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

LAMP FOUNDATION, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2014

1. ***SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued***

**Cash and Cash Equivalents** – Cash, certificates of deposit and other highly liquid investments purchased with original maturities of three months or less are considered to be cash equivalents.

**Donated Services** – Contributions of noncash goods are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

The Organization received \$942,819 in noncash contributions in the form of medical supplies and equipment for the year ended December 31, 2014. The noncash contributions are recorded as contribution income and related expense in the statement of support, revenue and expenses.

**Allocated Expenses** - The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of functional expenses.

**Income Taxes** - The Organization is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b) (1) (A) and has been classified as an Organization that is not a private foundation under Section 509(a) (2).

**Property and Equipment** - Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method. The Organization's capitalization policy is to capitalize amounts spent for the purchase and construction of new fixed assets or to replace old ones, or to expand and modernize long-term operating assets.

**Revenue Recognition** – Revenue is recognized when received.

2. ***ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES***

The preparation of the financial statements in conformity with the modified cash basis of accounting requires the Organization to report information regarding its exposure to various tax positions taken. Management has performed their evaluation and believes there are no unrecognized tax positions that are required to be disclosed.

The Organization's policy is to classify income tax related interest and penalties, if any, in interest expense and other expenses, respectively.

LAMP FOUNDATION, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2014

**3. COMMITMENTS AND CONTINGENCIES**

The Organization's operations are run abroad in Haiti. Accordingly, the Organization has employees that are paid to run the operations located there. The Organization has not yet registered with the taxing authority in Haiti and is currently not paying payroll taxes on the amounts paid to its employees abroad. However, the Organization is currently in the process of the registration process and their registration documents are being reviewed by the Haitian government.

It is reasonably possible that the taxing authority in Haiti may require the Organization to begin remitting payroll taxes. In addition, they may require that the Organization pay back taxes for prior periods, including the period covered by the accompanying financial statements. Management has yet to determine the effect, if any, of this contingency on the financial statements.

**4. PAYROLL**

In October 2013, it was proposed that the Executive Director would not take a salary for six months due to the surplus of the 2010 Earthquake fund being exhausted. The individual suggested he could volunteer for a full year, however, the board decided that he could volunteer for six months and that the Organization's financial status would be reviewed after the first six months to decide what to do regarding the remaining six months of volunteer work. In 2014, it was decided that he would continue working on a volunteer basis for part of the year. Therefore, there are no payroll wage expenses included in the first three quarters of 2014 for the Executive Director.

**5. CASH AND CASH EQUIVALENTS**

Cash and cash equivalents are comprised of the following:

Business checking	\$ 104,114
Savings	<u>53,270</u>
Total cash	<u>\$ 157,384</u>

The balance of cash and cash equivalents at December 31, 2014 includes \$27,516 of restricted monies.

**6. TEMPORARILY RESTRICTED AND UNRESTRICTED REVENUE AND SUPPORT**

Support that is not restricted by the donor is reported as an increase in unrestricted net assets. If donor support is restricted to a specific purpose, the revenue is reported as an increase in temporarily restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Support, Revenue, and Expenses – modified cash basis as net assets released from restrictions.
